Join us on Monday, January 19th 2015 at the MSU Student Union and take part in 3 significant on-site service projects as we honor our U.S. Military by “Breaking Barriers” & “Building Bridges” for the military men and women who fight every day to protect our freedoms.

Service projects include:

- Writing personal letters to the U.S. Military men and women both active duty and veterans that have served.
- Creating care packages for both active duty and U.S. veterans that have served.
- Creating “Did You Know?” cards for returning veterans that will include financial literacy, personal and family resource information specific to U.S. veterans as they return home.
